Subject: REQUEST for PUBLIC HEARING ON LAHAINA WASTEWATER
INJECTION WELL PERMIT

Dear Ms. Rumrill:

I oppose the granting the renewal of the permit for wastewater injection well, unless additional conditions are placed on the permit as set forth in the letter of the DIRE Coalition to EPA. While the Dire Coalition has identified a range of issues and concerns to which EPA has not spoken previously, this coalition has not yet provided EPA with anywhere near all the supporting data in their letter. They are in the process of gathering these data (and preparing their presentation) and will provide them to you at the public hearing, once such public hearing is scheduled.

It is of utmost importance to get the public's input on this issue. Thank you for your consideration of this request.

Very truly yours,

Odette Polintan
